BOARDMANS

BOARDMANS OFFER INDEPENDENT BOUTIQUES AND HIGH-STREET RETAILERS SOME OF THE MOST ELEGANT AND STYLISH ACCESSORIES ON THE MARKET.

Established in 1925, Boardmans have become the UK's leading fashion accessories supplier for hats, gloves and scarves. Our talented design team consistently create sell out product lines, utilising vibrant colours, quality materials and sophisticated styles, inspired by key catwalk trends.

Our Elegance 2020 collection consists of beautifully sculpted hats, fascinators, and headbands which offer the perfect finishing touch for any occasion whether it's a day at the races, someone's big day or a summer event.

For this collection, we have focused on intricate yet effortless designs in colours ranging from monochrome to fuchsia. This diverse range perfectly blends classic style with modern millinery trends, offering a plethora of choice for any customer looking to add a touch of elegance to their product line.

Paying special attention to artistically designed trims and ornamental shapes, the Elegance 2020 collection combines floral sculptured pieces, delicate feather clips and classic hats, to curate a bespoke selection made for any occasion.

For the 2020 collection, we collaborated with millinery designer Beth Morgan, who assisted us in designing pieces that had a couture look but were accessible and affordable. Featured in international magazines including Conde Nast Bride and Vogue, Beth's distinctive and innovative style made her the perfect choice to collaborate with and corresponds to our ethos of providing 'Inspirational British Design'.

As the industry continues to evolve, Boardmans are committed to keeping up to date with the latest techniques and trends, all the way from design to distribution.
