BOARDMANS

BOARDMANS ARE THE UK'S LEADING FASHION ACCESSORIES SUPPLIER FOR HATS, SCARVES AND GLOVES.

At Boardmans, our mission is to create the perfect accessories to complete every outfit.

For our brand new Autumn/Winter 2021 collection we have focused on developing a number of designs using recycled yarns, reinforcing our commitment to improving sustainability across all of our ranges.

Our Ladies collection is a bright and beautiful range of cosy designs, from beanies and snoods to our signature superfluffy scarves. This season's on-trend colours include neutral camel shades, soft powder blues and cool mint green.

The addition of delicate embellishments adds that special finishing touch. Our market trend research has shown a rise in popularity in bucket hats and baker boy styles featuring teddy fur and boucle fabrics, which you will also see included in the new collection.

Our Mens range also features the use of bold colours across the collection, with our beanie hats designed to colour match our scarf styles to create a more cohesive overall look. We have also introduced the snood to our Mens collection for AW21 in both fashion and basic styles. Following our trend research we are featuring more fashion fabrics in both the flat cap and baker boy styles, giving traditional base colours a contemporary twist with bright pops of colour.
